		<p>A special thanks to all who shot the match. Great to have some new shooters join us today and hopefully join us again in the future. It was great day for a match, and we got done in time to avoid the worst of the wind.</p> <p>Our plan is to have the next multi-gun match at the long-range venue using a <u>non-semi auto</u> for a rifle (No Magnums) and some non traditional stages. Hope to see you then.</p> <p>Best Wishes and stay safe.</p> <p>Ron, Bob, and Mike.</p>
